Note by the Secretary-General

1. In paragraph 4 of its resolution 60/246 of 23 December 2005, the General Assembly noted that consideration of the programme narratives contained in the revised estimates to the proposed programme budget for the biennium 2006-2007 relating to the 2005 World Summit Outcome, under sections 1, 2, 3, 11, 16, 23, 28A, 28C, 28D, 28E, 28F and 29 (A/60/537), would follow consideration thereof by the Committee for Programme and Coordination no later than September 2006.

2. Accordingly, document A/60/537 will be before the Committee for Programme and Coordination for consideration at its forty-sixth session, to be held from 14 August to 8 September 2006. It should be noted that the resource proposals contained in that document have already been considered and action taken by the General Assembly at the main part of its sixtieth session in the context of the programme budget for the biennium 2006-2007.
